Patents

Patents 11 - 20 on "alert message" filter response. (0.02 seconds)

Alert receiver

US Pat. 5574999 - Filed Nov 7, 1994

The length of **alert message** to be recorded is limited only by the storage ...
42 only in **response** to specific messages containing a specific digital code. ...

Pulse oximetry data confidence indicator

US Pat. 6684090 - Filed May 15, 2001 - Masimo Corporation

In yet another embodiment a **filter** for the data generates a smoothed data ...
an **alert message** on the display during at least a portion of that period. ...

Position location system and method

US Pat. 5883598 - Filed Dec 15, 1995 - Signatron Technology Corporation

If the ID is valid, an **alert message** is sent to the control station 22 in ...
An optional tracking **filter** to refine the location computation can also be ...

Method for preventing fraudulent use of credit cards and credit card information, and for ...

US Pat. 7003501 - Filed Feb 9, 2001

If the request contains an **alert message**, the record 30 relating to the ...
12 the acceptance or rejection **response** is sent back to the **Filter** Program 20. ...

Inter-vehicle personal data communications device

US Pat. 5668880 - Filed Jan 17, 1995

Signal message processor that message **response** has been received [Sd]. ...
Alert message processor as to receipt of message [6g], indicating both the ...

Individualized, location specific weather forecasting system

US Pat. 6590529 - Filed Dec 29, 2000 - Mysky Communications

Once precipitation or present lighting is detected, an **alert message** is ...
That processor receives the forecast **response**, step 412 and the forecast ...

System and method for implementing a security policy

US Pat. 6453419 - Filed Mar 18, 1998 - Secure Computing Corporation

If the results of the URL blocking **filter** are to allow access, control moves to
node 64.3. If not, control moves to alert node 80 and an **alert message** is ...

Method and apparatus, using attribute set harmonization and default attribute values, for ...

US Pat. 6353813 - Filed Jan 22, 1998 - Microsoft Corporation

In **response**, the navigation process 1206 transmits an **alert message** 1342 to the
improved collaborative **filter** process 1208 to determine whether the process ...

Method and apparatus for optimizing receiver synchronization in a radio communication system ...

US Pat. 5712624 - Filed Mar 3, 1995 - Motorola, Inc.

The unique functions of the **response** data timing and synchronize the fixed system

random "probability value" generator

Search Patents

[Advanced Patent Search](#)
[Google Patent Search](#)

Patents

Patents 1 - 10 on random "probability value" generator. (0.05 seconds)

Method and apparatus for active queue management based on desired queue occupancy

US Pat. 6690645 - Filed Dec 6, 1999 - Nortel Networks Limited

The **random** number **generator** communicates the reference value to the controller 26.... be dropped or marked in response to the drop/mark **probability value** ...

Nonuniform **probability** reel stop mechanism for gaming machines

US Pat. 4858932 - Filed Apr 21, 1988 - Bally Manufacturing Corporation

... the upper limit of each generating means for generating a **probability value**;... 5 comparison means for implementing a comparison **generator** means for ...

Wagering system and method of wagering

US Pat. 6152822 - Filed Jan 15, 1998

A wage ring system comprising: a **random** number **generator** having a ... and which has a pre-assigned **probability value**, wherein the **random** number **generator** is ...

Controlling power and access of wireless device to base stations which use code division ...

US Pat. 5784360 - Filed Mar 3, 1997 - Lucent Technologies Inc.

Other than bypass- a factor times another **probability value** as was described for can occur ... a **random generator** 440, active wireless device, in step 508. ...

Relationship-based computer-aided-educational system

US Pat. 5967793 - Filed Nov 12, 1997

Each un-learned relationship-item has a weight- **probability value**, ... The study-plan **generator** 108 can generate the study plan through accessing the plan ...

Wagering system and method of wagering

US Pat. 5888136 - Filed Mar 13, 1997

The wagering base may include additional information which is pre-assigned a second **probability value**. The **random** number **generator** can be programmed so that ...

Probe placement using genetic algorithm analysis

US Pat. 6006604 - Filed Dec 23, 1997 - Simmonds Precision Products, Inc.

This **probability value** is computed based on the Euclidian distance between the parents 25 ... The standard deviation of this **random generator** is SD, ...

Automatic test generation for model-based real-time fault diagnostic systems

US Pat. 5214577 - Filed Oct 24, 1990 - Osaka Gas Co., Ltd.

6, the alarm sequence **generator** 210 first initializes at 600, ... further comprises the steps of: generating a **random probability value** of propagation; ...

CATV subscriber terminal transmission control

US Pat. 4920533 - Filed Oct 26, 1988 - Videotron LTEE

... with the **probability value** 35 arrival of idle busy bits on the IDLE lead. ...**random** number **generator** output signal is checking by the microprocessor. ...
